LAFAYETTE BAR ASSOCIATION & FOUNDATION

Over the course of our lifetimes, each one of us will encounter an issue that requires assistance of an attorney. The Lafayette Bar Foundation was established in order to offer assistance to those in our community who are unable to afford an attorney and may be in need of legal advice, answers to legal questions, or counsel.

In response to this need, the Lafayette Bar Foundation has launched several pro bono programs that are free to the public, including the Protective Order Program (established to provide assistance and guidance for victims of domestic violence as they navigate the process of acquiring protective order), Counsel on Call (an opportunity to meet with an attorney for 15 minutes and receive legal guidance for free), H.E.L.P. (established to provide certified copies of birth certificates to the homeless), as well as hosting free legal seminars on various topics. Several attorneys in the area help with these programs or take on cases pro bono.

By supporting "Birdie with the Bar," you are allowing the Lafayette Bar Foundation to continue its mission of serving the underprivileged in our community.
